

Stream videos, music & audiobooks on your smartphone, tablet or computer with hoopla, a new service available to Newton residents!

Getting started

- You'll need to be a Newton Resident with a Minuteman Library Network Card, an internet connection, a computer or other device.
- Set-up instructions depend on the type of device you use and are detailed below.

Computer with a compatible web browser

- Go to hoopladigital.com.
- Click "**Sign Up**" (top right) and create an account with your email address and library card number. Create a password. Select "**Newton Free Library**" as your library.
- Playing certain content requires a plugin to be installed on your browser.

Using a tablet, smartphone or mobile device (iPad, iPhone, iPod Touch, Android phone or tablet)

1. Go to Apple app or Google play store to download the free **hoopla digital app**.
2. Click "**Sign Up**" and create an account with your email address & library card number. Create a password. Select "Newton Free Library."
3. Use the app to stream or temporarily download videos, audiobooks and music.

Browse & Check Out

1. Browse or use the search box to find your content, then click "**Borrow**".
2. After borrowing the item, go to "My Titles" and play or listen to your title.

Checkout Periods

- Each cardholder can check out up to 10 titles per month
- Movies, TV Shows & Videos: 3 days
- Music albums: 7 days
- Audiobooks: 21 days
